

How to “Live United”

We believe everyone deserves opportunities to have a good life: a quality education that leads to a stable job, enough income to support a family through retirement and good health. LIVE UNITED is less about helping one person at a time and more about changing systems to help all of us. We are connected and interdependent. We all win when a child succeeds in school, when families are financially stable, when people are healthy.

United Way’s goal is to create long-lasting changes by addressing the underlying causes of these problems. Living united means being a part of the change. It takes everyone in the community working together to create a brighter future.

Underneath everything we are, underneath everything we do,

we are all people. Connected, interdependent, united.

And when we reach out a hand to one, we influence the condition of all.

That’s what it means to “LIVE UNITED”.
