#### **Good Samaritan Hospital**

Call your primary care physician for screening.

From their website: Good Samaritan Hospital, a member of the Westchester Medical Center Health Network (WMCHHealth), has begun providing appointment-only drive through coronavirus (COVID-19) specimen collection for **current and former patients whose physicians are affiliated** with Bon Secours Medical Group, Good Samaritan Hospital, St. Anthony Community Hospital and Bon Secours Community Hospital with a verified COVID-19 testing appointment.

**A referral from one of these physicians is mandatory** and specimen collection will be conducted only by appointment. Patients who are experiencing symptoms that may indicate illness need to contact their physician's office to be screened. Current and former patients who meet the current screening criteria will then be given an appointment for drive-through testing.

#### **Crystal Run Healthcare**

Testing is **for patients of this healthcare system.**

Call for screening (845) 643-3909

From their website: **UPDATED ON 3/12/20:** Physician offices now have the ability to test for COVID-19 for patients who meet certain criteria. If you think you've been exposed to Coronavirus, please call our hotline **FIRST** at 845-643-3909, prior to coming to the offices or Urgent Care.
